*Establishing Education & Performance  
Standards for Orthopaedic Surgeons*

Update: 11/30/2023

# *ABOS KSB Requirement*

- Beginning academic year 2025/26: **July 1, 2025**
- Participation is required, not specific levels of achievement
- Resident must meet ABOS participation requirements

**REQUIRED**

# *ABOS KSB Participation Requirements*

ABOS KSB participation requirements that will be effective July 1, 2025, for those residents who wish to take the ABOS Part I Examination starting in 2026:

- Knowledge
  - 3 OITE examinations completed during PGY 1-5
- Surgical Skills
  - PGY 2-5
    - 80 completed assessments per year of residency education
  - PGY 1
    - 12 completed assessments
- Professional Behavior
  - PGY 2-5
    - 6 completed end-of-rotation professional behavior assessments per year
  - PGY 1
    - 3 completed end-of-rotation professional behavior assessments

## *Purpose and Collaboration*

The ABOS has collaborated with the Accreditation Council for Graduate Medical Education (ACGME) to integrate case log entry into the ABOS KSB web portal and mobile app. In one place, residents will be able to enter all of their case logs as required by the ACGME and concurrently request an ABOS KSB Surgical Skill Assessment. The ABOS will be rolling out this integrated platform portal so that all orthopaedic surgery residency programs will have access by 2025.

## Important Notes

- ACGME ADS is still active for programs and residents to review reporting.
  - Case log data are available for ADS Reporting within 48 hours of case entry.
- Residents can modify any previously submitted case logs via the app and changes will be sent to ACGME by clicking Search Cases, finding the case that needs to be edited and resubmitting.
- To request a KSB assessment, a case must be entered within 48 hours of the date of that case.
- App and Web Portal have similar functionality.
- Residents must login to ACGME ADS at least once during their residency to ensure that Case Log reporting in ADS will correctly reflect what is submitted via ABOS KSB+.

# FAQs

- Is ABOS KSB Program replacing ACGME Case Logs?
  - **No, this is a collaboration.**
- Should residents enter all their ACGME Case Logs through the ABOS KSB Program?
  - **Yes**
- Are all residency programs required to participate?
  - **Yes, if there are residents that wish to be ABOS Examination Candidates.**
- How do Program Directors and Program Coordinators review ACGME Case Log Data?
  - **Continue to use ACGME ADS Case Log System.**
- Can a resident claim credit for more than one procedure done on a single patient on a single date via the ABOS KSB Platform?
  - **Yes, in an identical fashion as was done in the ACGME ADS system. Residents must enter cases such as those that have two or more separate entries in the integrated platform.**
- Who owns the data?
  - **The data are owned by the ABOS. The ACGME Case Log data are owned by the ACGME.**
- Do residents have to log a case within 48 hours?
  - **If they want to request the corresponding ABOS KSB Surgical Skills assessment.**
