

ABOS Breastfeeding Candidate Form Subspecialty Certification Examinations

The ABOS provides additional break time during the Subspecialty Certification Examinations (Surgery of the Hand and Orthopaedic Sports Medicine) for breastfeeding individuals to allow for pumping. To accommodate the extended break time, the examination seat time will be 5 hours 20 minutes. If you are a breastfeeding person and would like to request to take either Subspecialty Certification Examination on August 5, 2025 with additional 65 minutes of break time and access to nursing mother space, please complete the attached form and return it to accommodations@abos.org by **March 1, 2025**. Requests submitted after the deadline cannot be guaranteed.
